

Sabine Oil & Gas to Redomesticate to Texas as Sabine Energy

January 1, 2026 – Sabine Oil & Gas Corporation announced today that it has completed a merger with Sabine Energy Inc., a Texas corporation and wholly owned subsidiary. The merger results in a redomestication of Sabine Oil & Gas Corporation to Texas and a name change to Sabine Energy Inc. The merger will not result in a change of ownership, or any change in the management or operation of the company's assets.

Hunton Andrews Kurth LLP advised Sabine in connection with the transaction with a team led by corporate partner Phil Haines.

Sabine Energy is an independent exploration and production company with a long-term strategy focused on acquiring and developing natural gas reserves in East Texas and North Louisiana. More information about Sabine is available at sabineenergy.com.
